a. Enter the following fields: Description, Quantity, Unit of Measure, Price, Category, and, if applicable, the Quote Number and Quote Date. See descriptions of these fields in the “Create Requisitions” manual.

b. Additional Information: This field contains “line level” comments. It can be populated here or on the Checkout – Review and Submit page. Review the instructions on line level comments later in this checklist. Click <Add to Cart> for each item.

c. Click <Add to Cart>.

d. Add additional items as needed or click <Checkout>.

☐ Checkout – Review and Submit page

☐ Requisition Summary section

a. Summarize what is being purchased in Requisition Name.

b. Enter Start Date and End Date.

c. Enter or search for Supplier ID. Once chosen, Supplier Name will populate Supplier Name.

d. Click <Contract Administrator> and populate information.

☐ Cart Summary section

a. Click <Add> to enter comments specific to the “line level” on the requisition. Comments pertaining to the specific line such as explanation of rate or expenses must be added on the line level. Check Send to Supplier, Show at Receipt, and Show at Voucher as applicable.

b. Verify the fields that were entered into Requisition Settings: Ship To and Accounting Defaults. If necessary, modify field(s) on the requisition directly.

☐ Shipping Summary section

a. Requisition Comments and Attachments: Comments put in this field are called “header” comments, as they apply to the entire contract.

b. <Add More Comments or Attachments> must be used to add attachments, if applicable. For header comments, use only one attachment per comment. See the “Create Requisitions” manual for a list of required forms for contracts. Check Send to Supplier, Show at Receipt, and Show at Voucher as applicable.
c. **Approval Justification**: In accordance with the Justification Standards policy, provide the justification for requisition in this field. Include the 5 W’s (Who, What, Why, When, Where).

- Click <Save and Submit> after data has been entered to route for approval.

**TIPS AND TRICKS**

- **Optional**: Click <Requisition Settings>.

  - Populate specific field(s) that will be applied to the overall requisition such as: **Requisition Name**, **Unit of Measure**, **Ship To**, and **Accounting Defaults**. These fields can also be populated within the specific contract requisition. See descriptions of these fields in the “Create Requisitions” manual.
